

FLOWER DEPARTMENT

Randy McNett, superintendent (620) 863-2437

Entering Time: 4:00—8:00 p.m. Thursday and 8:00—10:30 a.m. Friday

Judging time 11:00 a.m. Friday

Superintendent's decision at time of entering will over rule any printed information. Superintendent reserves the right to add classes as necessary.

1. All flowers shown must have been GROWN BY THE EXHIBITOR.
2. Check foliage and flowers for bugs and dirt; petals and foliage should not have holes or tears; blossoms should be fresh.
3. No fillers, frogs, foam, etc. should be visible in cut flowers or arrangements.
4. Three stems means STEMS not BLOSSOMS. All cut flowers should have attached foliage.
5. After the judging, the exhibitor may bring in fresh-cut flowers to renew the exhibit during the remainder of the fair.
6. Best specimens and cut flowers are to be judged solely by excellence and freshness of blooms and stems.
7. Arrangements will be judged on individuality, suitability of container, harmony of color and foliage, and balance of arrangement.
8. One entry per person in each class.
9. All flowers brought will be entered even if a class must be added; no flowers will be turned away.
10. If there are less entries in any class than the number of premiums offered, judges may award prizes as articles deserve.
